

Please note that children's safety is of paramount importance

The welfare and safety of the children attending the Snowball Club is paramount at all times. As childcare providers, we have a duty to protect the children within our care.

We are registered with Ofsted to help assure parents of our professionalism.

Staff are qualified, experienced and trained to encourage safe, engaging and stimulating play to promote children's development.

All staff are DBS (old CRB) checked to ensure their suitability to work with children.

There is always a qualified first aider available in case of accident.

Children are signed in and out of the Club and will only be permitted to leave with an authorised person.

Policies and procedures are available on request at the Club.

In the event of a complaint, please contact a member of staff or a committee member.

Mrs Wood has the names of the committee members. Parents also have the right to contact Ofsted about their grievance.

Out of School Club

Our Club actively welcomes

We take great care to treat each individual as a person in their own right and are committed to the inclusion of Equal Opportunity provision in all areas of service delivery. Discrimination on the grounds of sex, race, religion, colour, creed, sexual orientation, marital status, ethnic origin or political belief will not be tolerated. Each child, parent, visitor or employee will be treated with equal rights.

Children with special requirements will be accommodated, providing that facilities can be arranged practically to provide a safe, stimulating environment for each child.

Behaviour

To enable all children to have fun in a happy, safe, fun and friendly environment, reasonable behavior is essential. The Club will expect and encourage children to behave responsibly and to respect both staff and each other. Our aim is to encourage positive behavior within our Club in order to ensure the happiness of all children.

Our facilities include:

The Snowball Club recognises that parents' working hours and busy lifestyles do not often coincide with the conventional school day. Children enjoy being with their peers and thrive in their company. The Club's safe atmosphere allows children to play before and after school in a more informal setting. The Snowball Club offer a range of services for children aged between 3 and 11 years old.

Breakfast Club

Operating during term time, breakfast is served, giving children a healthy choice of cereal, toast and fruit juice before being escorted to school by staff. There are a range of appropriate, quiet activities to ease children gently into the day.

After School Club

Children are collected from school, by one of the supervisory staff. A full range of activities are available, for example, table football, games, arts and crafts, as well as outdoor play facilities. For added interest, themed activities and special events are scheduled regularly. Healthy snacks and drinks are provided too.

Holiday Club

Operating during school holidays, activities focus on giving children the opportunity to participate in a variety of exciting programmes. Examples include creative workshops, games, sports, ceramics, art, cookery, visits and outings. To maximise choice, a range of other activities are available at all other times, such as computer games, the dance mat, board games and outdoor games.

The Holiday Club is booked up on a first come, first served basis and pre-booking is advised as it fills quickly.
